Workshop Leaders: Tom and Sandi Blaylock

The Blaylocks served for over 12 years in the pastorate and have been training and coaching couples since publishing *Marriage On Mission* in 2016. Tom began coaching Christian leaders in 2004 and developed *The GAP Coaching System* in 2021. Sandi teaches Bible to Middle School students and loves being a Grandma. They have 3 children and live in Pawleys Island, SC.

I believe Tom and Sandi's understanding of the intimate connection between healthy marriages and lives of fruitful Christian service is an urgent message the church needs to hear.
